

Rural Fire Protection Plan To Be Discussed Again

(The following is a communication received in our office by one who is intensely interested in extending fire prevention services to areas within reach of the Didsbury Fire Brigade. Read it carefully—it makes a lot of sense to those concerned.)

What about better fire protection? How far would it go? How long would it take to get to a fire? About 18 miles away? Would it lower insurance rates? How much would the equipment cost?

These are some of the questions that were asked at a fire prevention meeting held in the Lions hall at a recent meeting on the subject of rural fire prevention. It was pointed out at this meeting that the Town of Didsbury has a very low fire insurance rate, due to its having a truck, pumper and equipment to protect itself. As far as the insurance underwriters are concerned this equipment is not to leave the town limits at any time. This of course leaves the rural areas with no mobile fire fighting equipment.

In the past quite a number of fire calls in rural areas have been answered by the town fire brigade, and have taken a chance on no fire occurring in town while this equipment was out. This is a risky business and should never be done. There are 24 members on the local fire department at the present time and there is no reason why there should not be something in the way of fire protection for our friends living in the rural areas surrounding Didsbury. It is estimated that a total of approximately 200 farms could have protection if there was one more truck, tanker and pumper sitting in town ready to go. A portion of the local department could answer outside calls and still leave enough men behind to protect the town in case of an emergency.

At present there are two towns in the province where there is fire protection for rural areas and the towns at the same time. They are Coldlake and Claresholm. What would be wrong with Didsbury being the third such center?

Some of you may never have had a fire but those that have will tell you the experience is not a happy one, and there is always a loss, even if insurance is carried. It is true perhaps that if a house is miles out there to catch fire that it would be too late to save it by

FORMER RESIDENT DIES FROM ELECTRICAL SHOCK

An employee of Calgary Power Ltd., Robert Joseph Stewart, 25, formerly of Didsbury, was killed, June 4th, when he was electrocuted while placing a damaged transformer at a substation about 18 miles southwest of Red Deer.

Mr. Stewart, assistant district manager, was replacing a large transformer on the Markerville-Big Bend station when the steel truck boom used for unloading the transformer made contact with a live overhead power line resulting in the mishap.

Surviving Mr. Stewart are his widow and a 2½-year-old son, Red Deer and his parents in Calgary.

the time a fire truck could arrive, but it would likely be very useful in protecting surrounding buildings. Above all, it is the duty of everyone, in case of fire, to first make sure that no one is left in a burning building whether it can be saved or not. A building is never worth the price of a life.

As far as the 24 lads on the Didsbury Fire Brigade are concerned, it must be remembered, they are voluntary workers; some are self-employed, some employed by others. For the latter group it must be remembered that the employer stands in the background, with perhaps two or three of his employees taking off to fight a fire. When they returned, after the fire, their employer will be watching all this with a smile on a grin, knowing that all this has cost him money. Some of us have perhaps never given this a thought and too much appreciation and thanks can not be given these fellows.

Also, we should not forget the A.O.T. and their telephone operators. Their efforts are very important when a fire call comes in. This is the kind of co-operation which can be enjoyed by the rural districts as well as the town, but more equipment is needed.

It is hoped that at least 200 interested farmers and local residents will be in attendance at the next general meeting, which is scheduled for the Lions hall on June 19th at 8:40 p.m. A speaker from the fire commissioner's office will be asked to be present.

FATHER'S DAY JUNE 15th

KING FOR A DAY

Local Lad Saves A Life . . .

A young lad, one who by the way was presented with a Queen's Scout certificate in Calgary last Friday evening, was the hero in a life-saving episode at Red Lodge Park on Sunday. The writer had a small talk with David Turner, son of Mrs. V. Turner, matron at the Didsbury hospital, and what we gleaned from the "saver" ran along these lines:

"I heard him call for help, I was close and swam out to help him. He fought me and I grabbed him around the stomach and then managed to grab him by the hair and tow him out of the deep water where people on the beach took over."

We do not have the identity of the boy who was saved from drowning, we do know he was going down for the second time when David made his move to save him. We do know that David is a Queen's Scout.

QUEEN'S SCOUTS RECEIVE CERTIFICATES

Six local Boy Scouts were presented with their Queen's certificate at a ceremony held in the new Jubilee Auditorium in Calgary last Friday night. Those from Didsbury who received the honor were David Turner, Allen Tugle and David Dupont from the 1st Didsbury Troop, and Gordon Cabel, Arnold Stauffer and Lloyd Eby from the 2nd Didsbury Troop.

SO TRUE . . .

Psychiatrists tell us it's not good for a man to keep too much to himself. The income tax people talk the same language.

Harmattan News

(From Our Own Correspondent)

The Junior baseball team played a game at Bowden Saturday and were successful in beating the opposition by a 19-15 score. Mr. and Mrs. Marshall Armstrong of Olds, and Mrs. Art Johnson, left last weekend for a fishing trip in the west country.

Mr. Olle Kolstad had the misfortune of setting very badly hurt while at work one day last week. He is at present a patient in the Didsbury hospital.

Mr. and Mrs. Royal Cook left last week for a holiday in the U.S., where she will visit with relatives.

Father's Day

Father is all dressed up in his Sunday best. Sitting in his easy chair, taking a rest. While the boys are out doing the chores.

And Mother and Daughter are washing the floors. The "old man" usually gets up at the break of day. To milk the cows and feed them some hay; To slop the hogs and feed the chickens. While the boys are asleep' like the dickens.

And Ma and Daughter are still in bed, With curling pins stuck around their heads; So to all you sons and daughters, take heed, Give "Dad" something he really needs.

Your love and kind thoughts every day. To help him out along life's hard way; And make him feel that every day.

Is really and truly "FATHER'S DAY!" (Signed) E. COOMBES

Former Local Students Receive Degrees

Mr. and Mrs. J. William Cox, who both graduated from Mountain View Bible College in Didsbury, will receive A.B. degrees in the June 7th commencement exercises at Cascade College, Portland, Ore.

Mrs. Cox, the former Jean Frey, received a diploma from Didsbury high school. At Cascade College she majored in education.

Having completed his major in the field of history, William Cox plans to attend the Western Evangelical Seminary at Jennings Lodge, Oregon, in the fall of this year.

LOCAL BALL CLUB IN SECOND PLACE

Didsbury's entry in the Rosebud Baseball League have been faring fairly well, having come up with three wins and one loss in the four games they have played. The only team that has beaten them is Air-drie, who are sporting a record of four wins and no losses.

Other teams in the league include Hainstock, Crossfield, Carstairs, Ingrid, Olds and Bowden, and that is the order in which they are placed in the league standings at the time of writing.

Next home game for the locals is Sunday, when they will host the unbeaten Air-drie nine.

South West Didsbury

(From Our Own Correspondent)

On Sunday Mr. and Mrs. Fred Befus entertained 50 members of their family, the occasion being their 25th wedding anniversary. Among those present were: Mr. and Mrs. John Befus, Mr. and Mrs. Zubick and daughter, of Olds; Mr. and Mrs. Herman Dageforde; Mr. and Mrs. Fred Rodway and family, Mr. and Mrs. Jack Meyer, Mr. and Mrs. Otto Folkmann, Mr. and Mrs. Neal Folkmann and Mr. Donald Folkmann, Mr. and Mrs. John Folkmann Sr., Mr. and Mrs. John Folkmann and family of Torrington, Mr. and Mrs. Bob Folkmann of Edmonton, Miss Marlene Folkmann and Leonard Folkmann of Calgary, Mr. and Mrs. Adam Befus of Calgary.

The Birthday Group and their families will meet Friday, June 13, for a picnic at the Olds Agriculture Buildings at 12 noon; please bring your own lunch, dishes and silver.

Miss Grace Hunsperger spent the week with Mr. and Mrs. Lynn Hunsperger and family prior to leaving for Carstairs.

Mr. and Mrs. Ernie Good and family of Calgary were Sunday guests of Mr. and Mrs. Gordon Weber.

HAIL SWEEPS OVER NELSON, B.C.

A hail storm described as the worst in memory, pelted Nelson, B.C. and district Monday night. Reports indicate damage would run into thousands of dollars. Stones measuring up to an inch in diameter smashed windows and took their toll of street lamps, etc., along the way.

FALL FROM TRACTOR FATAL TO OLDS GIRL

Gwendolyn Ann Randers, aged five, was killed when she fell from a tractor and was run over by a rear wheel on a farm near Olds on Tuesday. Reports have it that the tractor was being driven at the time by her grandfather, Hans Randers.

MOUNTAIN VIEW

(From Our Own Correspondent)

Mr. and Mrs. Eli Shantz and Mr. Allen Dedels were Sunday afternoon visitors of Mr. Wm. Snyder.

Rev. and Mrs. Oscar Snyder of Sundre and Mrs. Wesley Snyder and son, Wayne, of Vancouver were recent visitors of Mr. Wm. Snyder and Mr. and Mrs. John Snyder.

Mr. and Mrs. Grenville McCall and family were Sunday visitors with the formers parents Mr. and Mrs. T. McCall of Three Hills.

Mr. and Mrs. Doug Gooding and family were Tuesday supper guests of Mr. and Mrs. Ira Roberts of Olds.

Sincere sympathy is extended to Mrs. Walter Sheild Jr. on the death of her father, Mrs. Schmidt is visiting with her mother at Chipman for an indefinite time.

Mr. and Mrs. Albert Dedels and boys of Edmonton were Saturday and Sunday guests of Mr. and Mrs. Charles Snyder and Miss Celina Dedels.

Mr. Walter Pratt and family motored to Calgary Sunday to visit Mr. W. S. Durrer and Mr. and Mrs. Frank Durrer.

Emmor Tuggle Laid To Rest

Mr. Charles Emmor Tuggle passed away in Didsbury hospital on Friday, June 6th, following a lengthy illness. Born in Spring Hill, Kansas, he was 76 years old at the time of his death.

The deceased moved to the Didsbury district in 1902 and was married to Miss Sarah Schmidt in 1911. He farmed in the Waterloo area until 1945, at which time they took up residence in Didsbury. He was predeceased by his wife in 1955.

He leaves to mourn his loss, three brothers, Jesse and Norman of Didsbury, and Noble of Clay Centre, Kansas, and one sister, Mrs. A. Wehle of Los Angeles, Calif.; one son, Burr Tuggle of Didsbury, and three daughters, Mrs. Beatie Gasser of Dawson Creek, B.C., Mrs. Fern Shantz, Didsbury, and Mrs. Rhonda Marbach of Calgary, and eight grandchildren.

Funeral services were held from the Evangelical Church, Didsbury, on Monday, June 9th with Mr. C. G. Hallman and Rev. A. Stickle officiating.

Interment took place in Didsbury cemetery.

Honorary pallbearers were Ira Leavagood, Tom McNair, Dave McEwan, Norman Weber, Frank Fletcher and John Pittsworth. Acting pallbearers were Ed Klink, Ira Scott, Jack Edwards, Cliff Murphy, Cliff Ekstrand and Vance Shields.

SO TRUE . . .

Golfers Plan Busy Schedule . . .

The draw has been made for the Wildfire match play trophy in the men's section of the Didsbury Golf Club. Player's handicaps are in brackets:

D. Shannon (24) vs. R. Bankier (24); A. Allen (11) vs. H. Moore (24); C. Sorenson (10) vs. W. Blore (24); J. Miller (7) vs. J. Wordie (24); K. Landsiedel (24) vs. G. Reddick (24); E. Berscht (24) vs. G. Wilkins (16); A. Coulter (24) vs. S. Moore (8); H. Gillie (24) vs. F. Evans (11); L. Clayton (24) vs. B. Olson (24); D. McMullen (24) vs. J. McFarquhar (21); R. Eubank (12) vs. L. Sipp (7); I. H. Miller (24) vs. K. Shannon (24).

Strokes taken or given shall be three-quarters of difference in handicaps. A notice will be placed in the clubhouse pointing out at which holes these strokes will be applied. First player drawn is responsible for arranging game; if game has not been played by due date for each round, he shall forfeit the match unless he can prove that he did make a reasonable effort to play the match. First rounds are to be played by June 30th. All matches to be over 18 holes.

Following is the draw for the Scotch foursomes. First matches to be played by June 30th under the same rules as the Wildfire trophy. B. Moon, J. Devine vs. J. Miller, B. McMullen; H. Moore, V. Currie vs. F. Evans, J. Berscht; K. Shannon, M. Allen vs. R. Bankier, Lucille Shannon; W. Blore, G. Banta vs. S. Devine, M. Bankier; W. Mc-

In the ladies' section of the local golf club, in the regular weekly competition held last Thursday, Mrs. Mary Coulter and Mrs. Lucille Miller ended up with a tie. This week's medal play will be held in three flights. The competition will be "tomtomstone" on June 19th.

Kin Korner

The car wash held last Saturday was a big success. A total of 77 units were washed last week and want to top the 100 mark this week. The playground to be built by the Kinmen Club has hit an unforeseen snag. With the business section expanding the lots formerly planned for a playground have been taken to an oil company. A new location will be found as soon as possible.

Ramblin' and Roamin'

This Could Make Sense . . .

Very recently there was a fatal boating accident in a lake near Calgary. 'Tis said the reason for the tragedy was too much motor for too little boat. We do a little cruising around (on land) and have noticed these pleasure crafts sitting on the roofs of cars or being towed behind. Having had enough boat travel for a lifetime we haven't indulged in this summer pastime, but we do hope that the ones who do, especially the "weekend skippers," remember to check their ship from stem to stern — make sure they're not carrying more power at the back end than they can safely control. One of our toughest jobs is writing obituaries — don't make it tough for us — don't make it tough for your family and your friends.

Just For The Record . . .

At the time of writing we understand that "Jock" and his road crew will start next week to prepare some of the town roads for the hard top — somebody has thrown a sheet of oil on parts of the entrance road to town — a big gang is working on the entrance stem from the new highway. Sounds like the dust is going to settle hereabouts, the ridin' is gonna be smoother. Good news, but good!

Rumours - Rumours - Rumours . . .

We've hitched onto a bundle of them in the past week. Here are a few samples: a site has already been picked for a new post office; two leading oil companies intend to open offices in town; one new unit may be added to the local fire prevention service; the cigars handed out on our street last week by a new father came out of old stock; the writer of this column is going on a holiday the end of this month. We do hope that last shot is more fact than fiction.

Farmers' Holiday, Friday, June 13

By A. W. PLATT

I sincerely hope that all F.U.A. members observe Farmers' Day in some appropriate fashion. Whether you take part in a community celebration, a family picnic or even if you are so busy, you must work all day to produce more to sell for less. I hope you will take a few minutes to reflect on farming and farmers.

You should remind yourself that farming is the most important industry in the world. If it were not for your ability to produce food cheaply and in abundance, far beyond your family's needs, there would be no one to build cars, refrigerators, tractors or aeroplanes. There would be no one to be doctors or nurses, teachers or lawyers. There would be no one to make rockets or shoot the moon. Our whole standard of living, our culture and science depends on efficient farms that release manpower for these other jobs.

You as individuals own and manage a share of this industry. You are practically the last of the individual private enterprises. Sometimes I wish you were not quite so individualistic. You have a capital investment beyond most small businesses. You must be a first class mechanic, have a working knowledge of botany, chemistry, veterinary medicine. You must be your own credit manager, accountant, sales manager. It is agreed you are a good parent because your sons and daughters are eagerly sought after by city employers. You are quite the remarkable guy.

For all your importance and for all your skill, you get the lowest return on your investment of any industry; your income as manager is about comparable to common city labour; and your hours of work are longer than any other group.

On Farmers' Day 1958, might it not be a good idea to take a look at this situation, to stand up and assert your importance, to join with your fellow farmers in the Farmers' Union and do something about your situation. Society respects those that respect themselves.

SERVICE BOARD

NOTES

— By —
W. K. SNYDER
Agricultural
Service Board

OUTWORMS have been taking their toll around the district. Wheat and oat crops have been suffering, along with many gardens. The damage has been so complete in many instances that farmers will have to re-seed some of their crops to either late barley or green feed.

The continued hot dry weather during May has been ideal for a building up of unwelcome insects. There is a chemical available with which to spray for outworms. It is endrine and is applied with a weed sprayer. The cost for chemical runs around \$1.25 per acre. You also should apply this chemical in 10 gallons of water per acre. The practicability of this procedure is somewhat debatable.

If you must re-seed it should not be done until June 15. We expect that outworm activity will end about June 20th.

If the weather continues dry and hot we may have to be concerned about grasshoppers. On several occasions during the past 10 years some district farmers were obliged to spray part of their crops to kill grasshoppers. Fortunately they are killed quite easily with aldrin spray and at a moderate cost. You would not want to keep close check on your growing crops for hopper activity.

THE
Homemakers

By HELEN HOWARD

District Home Economist

Dear Homemakers:-

For Girls Only!

Graduation Day — what then?

What is the future for your

daughter or young friend in the

field of Home Economics? Much

greater than you imagine, I'll

wager. Here are a few of the ca-

reers open:

1. For the girl with a flair for

fashion — dressmaking, designing,

or consultant and buyer in a dress

shop or large store.

2. Interior decorator with a hous-

ing agency, department or furni-

ture store.

3. Testing foods and recipes for

manufacturers or companies.

4. Dietitian with store, hospital,

restaurant or air force.

5. Government research work.

6. Work in fields of journalism,

television or radio.

7. Teaching home economics in

schools.

Work with rural people as a

district home economist with the

department of agriculture.

If you know of any girls who

might be interested in home econ-

omics as a career, I would be glad

to hear from you. I have informa-

tion re courses, qualifications and

details on the openings available.

Summer Stain Remov:

Common stains in summer are:

Grease, Oil or Tar: Washable

rub lard into stain, then launder.

Remove stain, then launder.

Remove remaining stain with com-

mercial bleach or hydrogen perox-

ide. Sponge road oil with turpen-

tine.

Unwashable, apply an absorbent

French chalk or Fuller's Earth on

the stain. Brush when dry.

Sponge with carbon tetrachloride.

Grass and flowers, washable, rub

in thick hot suds. If a stain re-

mains use commercial bleach or

hydrogen peroxide.

Unwashable, sponge the stain

with alcohol.

Di Pont has sent out the follow-

ing information on stain removal

for nylon fabrics: Stains that may

be washed out with warm water

and soap include fruit juices, tea,

coffee, catsup, chocolate, powder

and lipstick, as well as shoe polish,

fountain pen and duplicator inks,

stain and grass stains.

For complete removal, blood or

chocolate milk stains require wash-

ing in warm water only.

A grease stain may be lifted

with fresh warm water and soap;

but if it has been allowed to set

for some time, the stained fab-

ric should be placed on a blotter

and treated with trichloroethylene.

A fresh iodine stain will respond to

a weak solution of Javex. A ball

point ink stain will disappear if

treated with "Varsol."

Fresh mustard stains will wash

away with warm water and soap,

but if they are allowed to stay in

the fabric for some time, they can

not be removed completely.

Stains from ordinary house paints

may be lifted with fresh with tur-

pentine or a cleaning solvent. Alkyd

or resin-based paint stains may be

removed with a lacquer thinner,

rather than with turpentine.

Washing nylon fabrics calls for

warm water rather than hot water.

Temperature should be no more

than the hand can bear.

A FEW TRITE SAYINGS . . .

Many a true word has been

spoken through false teeth.

Discretion is something a man

develops when he is too old for it

to do him any good.

Some of the new novels are just

too good to put down . . . others

you don't dare put down.

In any heated discussion, it is

always best to keep your words soft

and sweet . . . you may end up eat-

ing them.

CHRISTIAN SCIENCE

Man's God-given safety and pro-

tection will be emphasized at Chris-

tian Science services Sunday in the

Leeson-Sermon "God the Preserver

of Man."

Eutychus, the young man who "fell

down from the third loft, will be

taken up dead" (Acts 20), will be

included in the Scriptural readings.

Selections from "Sciences and

Health with Key to the Scriptures

by Mary Baker Eddy will include

the following (424:5): "Accidents

are unknown to God, or immortal

Mind, and we must leave the mortal

basis of belief and unite with the

one Mind, in order to change the

notion of chance to the proper

sense of God's unerring direction

and thus bring out harmony."

The Golden Text is from Psalms

(121:7,8): "The Lord shall pre-

serve thee from all evil; thy going

and thy coming in from this time

forth, and even for evermore."

Notes From D.A.

By Howard J. Fletcher

The better the quality of a product the higher the price will be. This is true in the swine industry where a premium is paid on top quality market hogs. It is just as economical to feed a good type of hog and the labor is the same, but the final returns are greater, than with a poor type pig.

Proper feeding and management is very important, but the breeding stock must be of the required quality to give you top grades. A poor type sow and a common type boar will not give you feeder pigs that will grade "A" when marketed.

When selecting pigs for breeding stock you must have a type of pig which is long, deep, well balanced, full hammed and free of a heavy fat "rich" type back. A grading market pig must measure sufficient length, must have full hams, and be free of excess back fat.

There are some very good type breeding hogs in the country; these should be secured and used by producers who wish to top the market. Purebred boars may be purchased under the Provincial Livestock Policy by application at this office. The Department of Agriculture will pay \$10.00 plus transportation charges towards the purchase price of these boars. Fieldmen from the Livestock Branch select good quality boars to fill orders from herds which are inspected and free from disease.

LONE PINE W.I. PLAN JULY PICNIC

The Lone Pine W.I. held its June meeting at the home of Mrs. J. Underhay, with 17 members and three visitors present. Roll call call was "my favorite picnic spot." A foot-stool will be donated to the Didsbury hospital and \$30 will be given to the Didsbury Senior Citizens' Home to aid in the purchase of a deep freeze.

Plans were made for a dance in the near future and it is hoped the W.I. will be able to hold a picnic at Red Lodge on July 2nd.

The contest was won by Mrs. S. Elliott and the 10-cent draw by Mrs. R. Long.

DISTRICT NEWS**FALLEN TIMBER**

(From Our Own Correspondent)

Danny Howton spent the weekend in Calgary with his cousin Monty Moore, while there he took in the horse show.

The June meeting of the Busy Bees was held at the home of Mrs. Little Loughheed. It was decided to have a food table as usual at the picnic to pay for the ice cream. Ladies are asked to bring two articles, also each lady to bring six fish pond articles, three suitable for boys and three for girls. A tea will also be held at the home of Mrs. Ester McMullen the afternoon of June 14th. The next meeting is to be held at the home of Mrs. Arlie McLaughlin.

A number of little folk and their mothers gathered at the home of Miss Kitty Nadine Teynor to help her celebrate her fourth birthday. Mrs. Ruth Roberts was a visitor recently at the home of her sister, Mrs. Delores McMullen.

We see Mr. and Mrs. Dean Stair have their basement dug and will soon begin to build.

Mr. Johnny Hayes is back in the district again after helping with spring work in Saskatchewan. Mr. and Mrs. Joe Teynor and Mr. Leonard Wright were Calgary visitors last week.

Carol Teynor and wee Cindy Teynor spent a day visiting at the home of Mrs. Emma Wright last week.

Mr. and Mrs. Bill Monecy and family, Mr. and Mrs. Bob Moore and family and Mr. and Mrs. R. Moore and Gary were Sunday visitors at the home of Mr. and Mrs. Johnny Howton.

The trees in many parts of the district, especially in Bear Valley, are about bare of leaves, due to a little green worm. We wish there was something that could be done about it as it is not only killing the trees but spoiling the beauty spots.

Crushed gravel has been put on many of the roads; an improvement which was badly needed.

Young David Adams had the misfortune to fall off a teeter-totter hurting his arm badly.

Mrs. Adams, Larry and Janet, and Miss Joanne Adams spent several days visiting at Buck Lake.

Mr. and Mrs. Earl Loughheed and family were visitors last Wednesday evening at the home of Mr. and Mrs. Johnny Howton.

Mr. and Mrs. Barry McMullen were recent visitors at the home of Mr. and Mrs. W. Fyten. Joy Fyten returned home with them for a visit.

Mrs. Nick Harris and family of Calgary were recent visitors at the home of the former's parents, Mr. and Mrs. Bill Dick.

Visitors at the home of Mr. and Mrs. W. Fyten Sunday were Mr. and Mrs. H. Gochee and family of Sundre, and the Whittle boys.

**WILF CARTER AND TROUPE
PLAN DISTRICT SHOWS**

The always popular Wilf Carter Show is coming again. This marks the 8th year Wilf has been touring Canada and he will have with him his two very talented daughters, Carol and Sheila. Carol is now 13 and Sheila is 15 years old. In this year's Wilf Carter Show the girls do singing, jodeling, ballet, tap dancing as well as playing the accordion and guitar. The throngs who have attended Wilf's shows other years will be anxious to see now the two Carter girls have progressed.

Also in the all-star supporting cast will be the return appearance of well known Ward Allen, the champion old-time fiddler on Sparan records. Ward receives many requests for his recordings both at the radio stations and the record stores.

Bob King and Joe Brown - both recording stars are in the Wilf Carter Show.

Ken Davidson and Vince Lebeau are two other very versatile musicians in the troupe of ten and also an added attraction of two beautiful dancing girls from Carol and Sheila's dancing class in Winter Park, Florida.

They will be appearing at Carstairs on Monday, June 30; and in Innisfail on Tuesday, July 1st.

Squirrel Cage ...

Following is a notice that has appeared on numerous bulletin boards recently:

To All Employees:-

Due to increased competition and a keen desire to remain in business, we find it necessary to institute a new policy. Effective immediately, we are asking that somewhere between starting time and quitting time, and without fringing too much on the time usually devoted to lunch period, coffee breaks, rest periods, story telling, ticket selling, golfing, auto racing, vacation planning and the rehearsing of yesterday's TV programs, that each employee endeavor to find some time that can be set aside and known as the "work break."

To some this may seem a radical innovation, but we honestly believe the idea has great possibilities. It can conceivably be an aid to steady employment and might be a means of insuring regular pay checks. While the adoption of the "work break" plan is not compulsory, it is hoped that each employee will find enough time to give the plan a fair trial. It is hoped that those employees not in favor of adopting the "work break" idea will have fully completed their vacation plans.

LIGHT YOUR WAY ...

... WITH BIBLE STUDY

Father's Day! And so, it is well that we should consider the Words of God, spoken many years ago, but still effective today: "Thou shalt honor thy father and mother, that it may be well with thee, and thou mayest live long on the earth."

Although seemingly this command speaks of parents, it is applicable to all whom God has placed over us in authority. It includes His representatives in home, church, school, and government.

In the home, we have our parents or those who take their place, as step-parents, guardians, or grandparents. We must regard them with love and honor, for they seek our welfare.

In the school we have the principal and teachers. Here again, we must regard them with love and honor, for they seek to instruct us in the necessary arts and sciences of the day so that we may be useful citizens.

And so, we come to the government. Although we elect our own representatives, nevertheless we seek the government as seeking our and the country's welfare. As loyal citizens, we obey the laws, for we know they are passed to help us.

All this applies also in the church. We love our Pastor, we respect and obey our Sunday school teachers and the various other officers of each congregation. For we know, here we are fed with the spiritual food necessary for our salvation.

All these, we must obey them as we would God, so long as they command nothing contrary to God's will. If they do, then the Word of God holds: "We ought to obey God rather than men."

If we despise these, God's representatives, it may happen to us, as it did to another person of whom Caspary tells us. A son beat his father and dragged him by the hair through the house. When he got to the front door the father cried out: "Stop now, my son, for just this far I also at one time dragged my father."

Little Items of Local Interest

The Didsbury Curling Club will hold an important meeting in the waiting room of the curling club on Friday, June 13, at 8 p.m. Artificial ice and plans for a new rink will come under discussion.

Mrs. Sam Krueger of Bowden left Tuesday to visit with relatives in England for three months.

Commander and Mrs. A. L. Miller, of Flurry, Eng., arrived Tuesday to spend a two-month visit with their son-in-law and daughter, Dr. and Mrs. I. Miller and family.

Miss Donna Robertson of Edmonton visited with Miss Pat Halliday at the weekend.

Miss Ella Devine of Edmonton was a weekend visitor at the home of her parents, Mr. and Mrs. Sam Devine.

Mrs. Hughie Roberts, of Courtney, B.C., is visiting with friends and relatives in the town and district.

Mrs. D. B. McMullen and son left Sunday to join her husband at Coronation for the summer months.

Mr. and Mrs. R. Budge leave this weekend to take up residence in Edmonton, where Bob has accepted a position.

Mr. and Mrs. Walter E. Scheidt received word on June 3rd, of the serious illness of the latter's father, Mr. Sam Hercheck. They left for Chipmunn the same day and were at his bedside when he passed away on June 5th.

Mr. and Mrs. Fred Burwell were Calgary visitors over the week end, at the home of their son-in-law and daughter, Mr. and Mrs. David Downie. Friday night they attended the graduation exercise at Crescent Heights high school, at which time their grandson, David Downie, Jr., was graduated.

Mr. and Mrs. C. A. Neufeld motored to Goodfish lake, last Tuesday to visit their son and daughter-in-law, Mr. and Mrs. Erdman Neufeld. Erdman is teaching school at that point, and his wife is in charge of the nurses' station.

CREMONA NEWS

(From Our Own Correspondent)

Almost thirty boys enjoyed a weekend of camping out last week when the scouts and Cubs held their annual Camp. Mr. V. Burkholder, again lent them a camp site on his farm. The location is almost perfect, being close to the river as well as the main road. Camp closed with a family picnic Sunday. A hearty vote of thanks is extended from the parents, to the leaders, Mr. D. Munn, Mr. J. Simington, Mr. V. Burkholder, and Mr. Dietz, not only for a perfect weekend but also for their leadership throughout the year.

Mr. Dietz, the retiring Scout leader, was presented with a gift as a gesture of appreciation from the Scouts. The presentation was made by Irvin Foat. Mr. Dietz conducted church parade for the boys early Sunday morning. He has been Scout leader for the past year and will be leaving the district shortly.

Mrs. Kirk arrived Saturday to visit with her daughter Mrs. A. Spence. Mr. and Mrs. P. Spence and family were Sunday visitors at the Spences also.

The sympathy of the district is extended to the Ratnay family in the passing of Mrs. Ratnay's sister Miss Grant, who died suddenly last Wednesday at her home in Calgary.

Mr. and Mrs. Ted Sanderman were weekend visitors at the home of Mr. and Mrs. L. Sanderman.

Mr. and Mrs. M. Earle and children spent last weekend at Banff.

Mr. P. Bandrop and Mrs. L. Handel were united in marriage at the Parkhill Church of Christ in Calgary recently, with the Rev. G. Chapman officiating. Mrs. N. Eby of Cremona, was soloist. Mr. and Mrs. V. Brown also attended the ceremony.

Mrs. G. Laing had some ladies to visit her last Monday afternoon in honor of her birthday. Those present included Mrs. D. McElin, Donna and Bernice; Mrs. L. Knox, Mrs. E. Casebeer and Richard, as well as Lee Burkholder.

LOCAL MINISTER RECEIVES TWO CALLS

Rev. E. B. Fox announced to his congregation Sunday morning that he had received a Solemn Call to St. Paul's Lutheran Church, Saskatoon, and St. John's Lutheran Church, Warman. The congregation at Saskatoon numbers 470 souls, of which 316 are communicant members. It has a Sunday School enrollment of 111 children, with another 30 Adults in the Bible class. A Walther League of some 20 members meets every Sunday evening.

As a result of this call, a special meeting of Redeemer Lutheran Church has been called for Sunday, June 22 at 8 p.m. At this time the congregation and Pastor will discuss the call in all its details and, under God's guidance, endeavor to come to a decision.

Westcott News

(From Our Own Correspondent)

Mr. and Mrs. Gilbert Dageforde, of Seneca, S. Carolina, visited last week with the former's brother and family, Mr. and Mrs. Herman Dageforde and family, and his sister and family, Mr. and Mrs. Otto Folkmann. They were accompanied on their trip to Canada by Miss E. Signor. While here the visitors were hosted at several dinners, etc., and Mr. Dageforde had a fine time visiting with many former acquaintances and old friends.

Mr. and Mrs. K. W. Card and children of Calgary accompanied the latter's brother, Mr. Leo Oetjen, to visit their parents, Mr. and Mrs. Herbert Oetjen for a few days last week.

Work has been going on at the Baudistel house in preparation for its moving and many of the community's men folk were seen giving a helping hand.

Mr. Jack Robertson spent last week at Banff where he attended a church conference. He was accompanied by his son-in-law, Mr. David Gilchrist.

We are pleased to hear that Mrs. Baudistel Sr. is out of hospital and feeling much better.

Mr. and Mrs. Earl Klinek are the proud grandparents of a wee girl, born to their daughter Beulah and husband in Calgary recently.
